Ms (b)(6) 07-08 Jan 2014

Ms (b)(6) 17 Jan 2014

Ms (b)(6) 18-26 Mar 2014

IMA SUPPORT (IN OFFICE):

Maj (b)(6) 07-08 Jan 2014

Maj (b)(6) 05-06 Mar 2014

Maj (b)(6) 13-14 Mar 2014

Maj (b)(6) 20-21 Mar 2014

Maj (b)(6) 24 Mar-4 Apr 2014

SAF/PAYL Weekly Summary (13-17 Jan 14)

Items of Note

- 7-8 Jan: CBS Sports request to feature a segment w/Kelly Starrett working out with PJs at Davis-Monthan was denied due to scheduling and CBS would not agree to sign production assistance agreement
 - CBS Sports requested to shoot b-roll and flight mission w/PJs. The request required creating an entire mission, several personnel and additional PA support. Due to the Christmas break and the requirements necessary, we were unable to support the dates requested by CBS. Additionally, CBS indicated that they would not be able to meet the requirements of the production assistance agreement.

 - SAI/PAYL (Lt Col Fabio & MSgt Stagner) were in audience to watch the program and met with producers
 - Date to air: TBD.
 - N'Shan and Johan Pereira are USAF military members who were prosecuted and acquitted of child abuse charges. It was determined that the child suffered from a vitamin D deficiency. The program did not focus on what the couple does for a living but only on the legal system and this phenomenon.
 - AFMC/PA approves limited interview topics. Interview will be via Skype.
 - Couple will not be in uniform
- Apr 9-10: Discovery Channel scheduled filming of “Mighty Planes” series
 - Series features the C-130 from creation at Lockheed Martin through delivery
 - Includes embeds on ferry flight from Dobbins Air Field to Little Rock AFB, and helicopter refuel at Cannon AFB.
 - Approved CV-22 Osprey refuel at Cannon AFB scheduled 9-11 April.
 - NEW: Requested AMC approval for production team to film KC-10 (from Dyess, TX) and C-130 refuel during the same filming period at Cannon AFB
 - SAI/PAYL (Lt Acosta) on ground PAO
 - Medevac exercise in Schenectady, NY CANX by production company because they didn't feel enough new footage would be available for their program
- Apr 01-11: Al Roker Entertainment (ARE) request to film “Operation Artic Care,” in Kodiak, AK for US Coast Guard Alaska series on the Weather Channel
 - Request sent to NGB as the members participating in this exercise are all ANG.
- 12 Apr: Producers Guild all services panel discussion
 - All services and the USCG have been invited to participate in a panel discussion during a Producers Guild meeting regarding obtaining DoD support for entertainment projects.
 - Ms (b)(6) is scheduled to represent the Air Force.

SAF/PAYL Weekly Summary (06-12 Apr 14)

Next Week's Events (13-19 Apr 14)

NSTR

On the scope next two months (Apr & May)

- 30 Apr: Independent Swiss film "Atterrisage Force"
 - Ceremony is from 1000-1200 hrs at the Pentagon Courtyard (Pentagon Auditorium is alternate location)

SAF/PAYL Weekly Summary (29 Jun-05 Jul 14)

NOTICE: This report contains information on the development and progress of TV programs, feature films, and other entertainment-oriented media projects. This information is shared with the Air Force for the purpose of determining whether the project qualifies for Dept of the AF and DoD support. It is pre-decisional information for our chain of command. The information contained in this report, if publicly disclosed, could be financially and professionally detrimental to the entertainment media production entity or individual filmmaker(s) providing the information, and would deter these companies and individuals from seeking AF assistance.
IT IS NOT INTENDED FOR PUBLIC DISSEMINATION.

Items of Note

- (b)(5)

Upcoming Events:

- Jul 8-10: "Flip My Food" syndicated TV program filming at Barksdale, AFB
 - Chef Jeff Henderson visits Barksdale, AFB and cooks a healthy meal from his food truck based upon a recipe received from B-52 crewmembers at Beale, AFB. The program will highlight the B-52, Beale and its mission. Members of the B-52 crew will help prepare the meal.
 - "Flip My Food" has been filming since earlier this year, and will begin airing this fall on 114 television stations nationwide - 55 of them owned by Raycom Media, the rest are other U.S. stations carrying syndicated TV programming. The show is 1/2 hour and will air daily, 5 days a week.
 - "Flip My Food" stars Chef Jeff Henderson, who has previously shot a number of episodes in the Shreveport area and has been given the keys to the city by the mayor.
- Jul 21-22 (Approval pending). Discovery Science Channel: "Strip the Cosmos"
 - Windfall Films requests to film the Solar Optical Observing Network (SOON) at Holloman AFB, the duties of solar observers and importance/impact that solar weather has on the Air Force as a whole.
 - 6 part series would feature Air Force in one episode.
 - Awaiting approval from 55th Wing at Offutt, AFB (SOON belongs to Offutt, AFB).
- Jul 24-25: HouseHunters (HGTV) filming in Joint Base Pearl Harbor Hickam (JBPHH)
 - HGTV plans to follow Senior Airman Kenneth Stricker (a loadmaster) as he goes through his work routine on the flightline and looks for a new home.
 - Coordination and approvals pending

SAF/PAYL Weekly Summary (29 Jun-05 Jul 14)

- July (TBD): PBS series "Secrets of the Arsenal"
 - 'Secrets of the Arsenal' films three pieces at the NMUSAF at WPAFB
 - Will tell the story of three different exhibits at the NMUSAF: Allen Lamb's Wild Weasel gloves; Monocular carried by Hambleton during the Bat 21 rescue and special goggles used by one of the pilots of Bockscar

On the scope (Aug/Sept)

- 23-25 Aug (Tentative): Weather Channel request to feature Combat Weathermen
 - Al Roker Entertainment (ARE) would feature the mission of the Grey Berets
 - Filming opportunity in Colorado CANX; potential new opportunity to film in 23-25 Aug at Hurlburt. Seeking details from 24 SOW. Company interested in details of training mission prior to committing.
 - Production to include other Special Tactics career fields approved by production company and base
- August: "Space Command" (Cursory support)
 - Kickstarter-funded sci-fi project tells the story of six generations of Air Force families over a 200-year (!) period
 - Cursory, unofficial support to the project was approved in 2012
 - Potential exists for this to be an episodic a la Stargate, so we are maintaining relationships while not providing any official support

- (b)(5)

- (b)(5)

- (b)(5)

- (b)(5)

Noted:

(Declined): 'Cyber Wars'

- Israeli production company wanted to produce documentary about the USAF cyber mission, training, current cyber-combat methods, current threats and the future of cyber in the USAF
 - Coordinated project with 24th AF, AFSPC: Declined by MAJCOM

SAF/PAYL Weekly Summary (27 Jul – 2 Aug 2014)

NOTICE: This report contains information on the development and progress of TV programs, feature films, and other entertainment-oriented media projects. This information is shared with the Air Force for the purpose of determining whether the project qualifies for Dept of the AF and DoD support. It is pre-decisional information for our chain of command. The information contained in this report, if publicly disclosed, could be financially and professionally detrimental to the entertainment media production entity or individual filmmaker(s) providing the information, and would deter these companies and individuals from seeking AF assistance.
IT IS NOT INTENDED FOR PUBLIC DISSEMINATION.

Items of Note

- (b)(5)

- Completed: 25 - 27 July: Comic Con (San Diego, CA)
 - Lt Col (b)(6) & MSgt (b)(6) attended San Diego ComicCon as an annual key outreach and networking event.
 - Meetings with execs from SyFy Network, Klispch productions, and the Space Command Movie Franchise were accomplished. Meetings were also held with DreamWorks Animation, Pixar, Blizzard Entertainment, Cartoon Network, Mirada Media (Guillermo Del Toro's production company), and several others
 - Attended panel for SPACE COMMAND feature franchise – more than 3000 attendees at the standing room-only panel, with writers, directors and actors from the franchise. USAF assistance was publicly acknowledged.
 - Lt Col Roberts and MSgt Stagner met with the two main actors for SPACE COMMAND for two hours to answer questions and assist/educate on military bearing, procedures, protocols, and customs and courtesies. The film will formally commence production in August. (Several scenes for an initial “sizzle reel” are already completed).
 - Additionally, initial coordination was accomplished to establish a military entertainment panel with all services at next year’s event.

- (b)(5)

SAF/PAYL Weekly Summary (27 Jul – 2 Aug 2014)

On the scope (Aug/Sept/Oct)

- (b)(5)
 - Ms (b)(6) (b)(5)

- PBS series "Secrets of the Arsenal"
 - 'Secrets of the Arsenal' films three pieces at the NMUSAF at WPAFB
 - Will tell the story of three different exhibits at the NMUSAF: Allen Lamb's Wild Weasel gloves; Monocular carried by Hambleton during the Bat 21 rescue and special goggles used by one of the pilots of Bockscar.

- Aug (Approval pending) Discovery Science Channel: "Strip the Cosmos"
 - Windfall Films requests to film the Solar Optical Observing Network (SOON) at Holloman AFB, the duties of solar observers and importance/impact that solar weather has on the Air Force as a whole.
 - 6 part series would feature Air Force in one episode
 - Awaiting approval from 55th Wing at Offutt, AFB

- Aug "Space Command" (Cursory support)
 - Kickstarter-funded sci-fi project tells the fictional story of six generations of Air Force/Space Command families over a 200-year period
 - Cursory, unofficial support to the project was approved in 2012
 - High potential exists for this to become episodic TV, a la Stargate, so we are maintaining relationships while providing unofficial support

- (b)(5)

- (b)(5)

SAF/PAYL Weekly Summary (27 Jul – 2 Aug 2014)

- (b)(5)
- (b)(5)
- Oct-Nov 2015. (Approval pending): ESPN all-day live broadcast on JBSA-Lackland to take place Nov. 11 for Veterans Day.
 - One month of filming prior to all-day broadcast to establish segments that will be used for shows

SAF/PAYL Weekly Summary (23 Aug – 31 Aug 2014)

Documentary/Unscripted projects

- **Documentary: "Air Warrior: A-10" – Red Rock Productions, Smithsonian Channel**
 - Unscripted project will document the A-10 with emphasis on combat survivability.
 - Coord for interviews with decorated A-10 pilots: BG John Cherrey (AETC), Lt Col Kim Campbell (USECDEF/Policy) and Lt Col Paul Zurkowski (MD ANG).
 - A-10 divestiture in relation to this project has been addressed at both ACC and SAF/PA levels with no concerns voiced at this time
 - Filming to commence 8-10 Sep at Davis-Monthan AFB, AZ.
 - 355 FW Commander and squadrons are on board with full support.
 - Air Date: Spring 2015.
 - Maj (b)(6) leads this production for PAYL.

- **Documentary Series "Test Pilot School" – Birman Productions (Edwards AFB)**
 - Has interest of SAF/PA & CSAF
 - 22 Aug: Interviews with TPS schoolhouse cadre for screen tests and quasi-casting call delayed until Wing CC is briefed fully on the concept. Birman Productions is finishing work on a "Demo Reel" to readdress new production timeline with networks, based on class start dates.
 - 14 Aug: Met with AF TPS Commandant, Col Chuck "Spider" Webb, his support staff and Edwards AFB/PA staff. Test Pilot School Class start date of Jan 2015 has pushed production schedule to the right 6 months more than anticipated. Birman Productions will confer with financiers and networks to adjust funding and air date. Col Webb and staff are on board for proceeding forward; EAFB/PA to brief wing commander 25 Aug 2015 for approval/concurrence.
 - A multi-episodic, non-scripted documentary on AF Test Pilot School at Edwards AFB, CA in Fall 2014. Production will follow 1 to 2 students throughout their year at TPS.
 - Produced by Birman Productions and Bynum-Murray Productions, (Project Runway, MTV's *Real World*)
 - Maj (b)(6) leads this production for PAYL.

- **Documentary: Project Titan Wounded Warrior—Nissan Sponsored Online Documentary**
 - Film company has requested to take 2 wounded warriors with crew of 30 people on summit hike to Nike Hercules Missile Site location operated/owned by JBER.
 - Air Force environmental efforts would be featured along with the Wounded Warrior stories.
 - Initial informational gathering to determine safety and feasibility inquiry made to PACAF and local PAO.
 - Local PAO informed that only date to film is 14 Sep 2014. Weather patterns would make trip unsafe after this date.
 - Awaiting information from PACAF to determine if they wish to support.
 - Ms (b)(6) leads this production for PAYL.

- **Reality TV: Polka Kings—REELZ cable television series (High Noon productions)**
 - Request to film an episode of the Polka Kings: (<http://www.reelz.com/polkakings/>) at Holloman, AFB during its Oktoberfest celebrations, 13 Sep 2014.
 - Upon review of the request, it was determined that if the production wanted to film a portion of the program, it would be best to feature the opening ceremonies which involve the wing commander, civic leaders (Mayor) and the German air force.

SAF/PAYL Weekly Summary (23 Aug – 31 Aug 2014)

engaging in the traditional opening activities and highlighting the partnership between the USAF, German air forces and community leaders..

- The production would be limited to filming only this portion as concerns were raised that continued filming of activities involving alcohol would not be in the best interest of DoD or the Air Force. The traditional opening ceremonies are open to news media and would not cause undue hardship on the local PA staff if approval is granted.
- Request was sent to ACC to determine if they want to support. Awaiting ACC response prior to requesting approval/denial from DoD.
- Ms (b)(6) leads this production for PAYL

- **Documentary: Death Rattler—Independent (CONGRESSIONAL INFORMAL INQUIRY)**

- Congressman Steve Israel's office inquired about permission & requirements for filming a sequence at the AMARG for independent film produced by former Marine. Congressman wanted to know why individual was not granted permission to film. Indicated that requester needed to complete the application process. Received the following request:
 - Mr O'Hare is directing a feature documentary that documents his relationship with his Marine pilot father who flew with the Death Rattlers in Vietnam. He has nearly completed the film but wanted to include a shot of him witnessing on camera the scrapping of an F-4. Mr O'Hare's father died from Agent Orange which may be central to the documentary.
- Contacted DLA & AMARG. Pending Air Force approval of the request, DLA concurs with granting access by the authority of DLA Disposition Services Director of Operations and Director of Public Affairs. AMARG concurrence was provided via installation public affairs officer, and Government Liquidation (the contractor who will 'own' the aircraft at the time of its destruction) concurrence was provided its public affairs office.
- Destruction would need to occur by 08 Sept 2014.
- Coordination and recommendation has not been submitted to DoD pending information from Mr O'Hare whether he can comply with the PAA.
- Ms (b)(6) leads this production for PAYL

- **Documentary: NO NAME YET - Film 44/NatGeo**

- Film 44 would like to create an episodic documentary highlighting the Air Force steady state deployed environment.
- Timeframe for filming, air date, other details still pending.
- Considering all available options internally before reaching out to MAJCOMs.
- MSgt (b)(6) leads this production for PAYL.

- **Documentary: "Homefront" - PBS series (Independent Production)**

- All services & USCG participating. Scheduled 6-part series that seeks to document military members and their families at various stages in their careers, and how being in the military impacts their lives.
- Air Force families profiled at Charleston, AFB are:
 - Boyd family - Capt Boyd is a pilot and his wife is from the Charleston area. She has never lived outside of the area and they are preparing for a PCS. She will be nine months pregnant at the time of filming. They will be filming Boyd while he prepares for a training flight, parts of their day-to-day home life, areas where she grew up, and a dinner party they will be hosting.

SAF/PAYL Weekly Summary (23 Aug – 31 Aug 2014)

- Petty family – Mil to Mil family with children. Family will be profiled at their work and home with children. Features the unique challenges of military members married to each other.
- Production company films at Charleston AFB, SC, Sept 15-18
- Air Date TBD
- 1Lt (b)(6) will lead the production for PAYL.

- **Documentary: Unnamed, Whaling and Polar Bear film at JBER--Renegade/PBS series**
 - This project is on hold (has not been canx) at the request of the Native American Kaktovik Village, who no longer wish to grant a filming permit to Renegade Films. Producers continue to negotiate with the villagers, but AF assessment is that the project will not likely move forward at this time.
 - This television series will center on the study of the Southern Beaufort Polar Bears, their population size change, anatomical size changes and any correlations with the melting of the sea ice. It will contain a great deal of scientific and natural history information.
 - JBER & the Air Force work with the Polar Bears and the village of Kaktovik will be featured.
 - Lt Col (b)(6) leads this production for PAYL.

- **Documentary: "History of Alaska" proposal—PBS Alaska productions**
 - PAA signed by DoD and company filmed on 18 Aug 2014 after PAA was executed.
 - Features history of Alaska with military bases as part of Alaska's history. Mostly filmed on flightline and background beauty shots.
 - JBER PAO initiated contact w/production crew and scheduled a filming date for Monday, 18 Aug. 2014 without OSD approval or PAA. SAF/PAYL contacted production and informed that no filming would take place without a PAA in place. PAA expedited.
 - Release date set for Oct 2014.
 - 1Lt (b)(6) leads this production for PAYL.

- **Documentary: "Strip the Cosmos" – Discovery Canada Channel**
 - At Holloman AFB, NM, Windfall Films filmed the Solar Optical Observing Network (SOON), the duties of solar observers, and highlighted the importance/impact that solar weather has on the Air Force as a whole.
 - 6 part series features the Air Force in a single episode. Project Complete.
 - Air Date - Fall.
 - 1Lt (b)(6) leads this production for PAYL.

- **Documentary: "Secrets of the Arsenal" - PBS**
 - Production tentatively scheduled for early 2015.
 - 'Secrets of the Arsenal' films three pieces at the NMUSAF at WPAFB
 - Will tell the story of three different exhibits at the NMUSAF: Allen Lamb's Wild Weasel gloves; Monocular carried by Hambleton during the Bat 21 rescue and special goggles used by one of the pilots of Bockscar
 - MSgt (b)(6) leads this production for PAYL.

- **Documentary: Mighty Planes: T-38 – Discovery Channel Canada**
 - Coordination w/ Sheppard AFB. TX to film ENJPPT program, T-38 training, LIFT/IFF, and an exercise/real world unclassified mission. International program, permissions from

SAF/PAYL Weekly Summary (23 Aug – 31 Aug 2014)

international approving authorities may be necessary before company would be allowed to film in the classroom, on the flightline, or students and instructors.

- Coordinating w/ACC/AFMC to see if they can support filming of a pilot who has completed fighter fundamentals course.
- DoD has not approved the project yet. Awaiting more detailed information before taking the request to the DoD.
- Anticipate filming beginning in early Fall 2014
- 1Lt (b)(6) leads this production for PAYL.

- **Documentary: Mighty Planes: Air Force One: White House In The Sky - Discovery Channel Canada**

- Coordinating with AMC and White House Military Office.
- Filming/Air date: TBD.
- 1Lt (b)(6) leads this production for PAYL.

- **Documentary: Space Junk - BBC/Discovery**

- A SAMPLE Production Assistance Agreement only was provided to the production to manage expectations; the production is reviewing the sample PAA to determine if they can comply with the agreement prior to moving forward with the request.
- Timeframe for filming, air date, other details still pending.
- AFSPACE/PA received request for documentary assistance from BBC/Disc regarding "space junk," a production to showcase aspects of the AF Space mission
- AFSPACE has granted preliminary approval of the documentary.
- Lt Col (b)(6) leads this production for PAYL.

Other Entertainment Events

- **Live Event: ESPN Veteran's Day Live Broadcast.**

- Technical Scout scheduled 17-19 Aug was CANX. Production concentrating on Brooke Medical Center and Army. Currently awaiting more information from production company regarding AF assets requested.
- Event to film on at JBSA-Lackland to take place Nov 11 for Veterans Day
- Event will require up to 30 days of filming prior to all-day live broadcast to establish segments that will be used throughout airing
- MSgt (b)(6) leads this production for PAYL.

- **Documentary/IMAX Film: Wild Weather LLC requests to film Hurricane Hunters.**

- Filming scheduled to take place at Keesler AFB, MI 07-21 Sept
- All dates are tentative & contingent upon where, when, if a Hurricane occurs.
- Request to film two hurricane missions at Keesler, AFB
- Project is MAJCOM (AFRC) approved and in initial coordination for support
- PAA provided to production company
- MSgt (b)(6) leads this production for PAYL.

 -
 -
 - Lt Col (b)(6) leads this production for PAYL.

- **Documentary: “History of Alaska” proposal—PBS Alaska productions**
 - Project complete.
 - PAA signed by DoD and company filmed on 18 Aug 2014 after PAA was executed.
 - Features history of Alaska with military bases as part of Alaska's history. Mostly filmed on flightline and background beauty shots.
 - JBER PAO initiated contact w/production crew and scheduled a filming date for Monday, 18 Aug. 2014 without OSD approval or PAA. SAF/PAYL contacted production and informed that no filming would take place without a PAA in place. PAA expedited.
 - Release date set for Oct 2014.
 - 1Lt (b)(6) leads this production for PAYL.

- **Documentary: “Strip the Cosmos” - Discovery Canada Channel**
 - At Holloman AFB, NM, Windfall Films filmed the Solar Optical Observing Network (SOON), the duties of solar observers, and highlighted the importance/impact that solar weather has on the Air Force as a whole.
 - 6 part series features the Air Force in a single episode. Project Complete.
 - Air Date - Fall.
 - 1Lt (b)(6) leads this production for PAYL.

- **Documentary: “Secrets of the Arsenal” - PBS**
 - Production tentatively scheduled for early 2015.
 - 'Secrets of the Arsenal' films three pieces at the NMUSAF at WPAFB
 - Will tell the story of three different exhibits at the NMUSAF: Allen Lamb's Wild Weasel gloves; Monocular carried by Hambleton during the Bat 21 rescue and special goggles used by one of the pilots of Bockscar
 - MSgt (b)(6) leads this production for PAYL.

SAF/PAYL Weekly Summary (12 Sept– 18 Sept 2014)

NOTICE: This report contains information on the development and progress of TV programs, feature films, and other entertainment-oriented media projects. This information is shared with the Air Force for the purpose of determining whether the project qualifies for Dept of the AF and DoD support. It is pre-decisional information for our chain of command. The information contained in this report, if publicly disclosed, could be financially and professionally detrimental to the entertainment media production entity or individual filmmaker(s) providing the information, and would deter these companies and individuals from seeking AF assistance.
IT IS NOT INTENDED FOR PUBLIC DISSEMINATION.

Feature Film projects:

- (b)(5)
▪ MSgt (b)(6) leads this production for PAYL

- (b)(5)
▪ Ms (b)(6) leads this production for PAYL

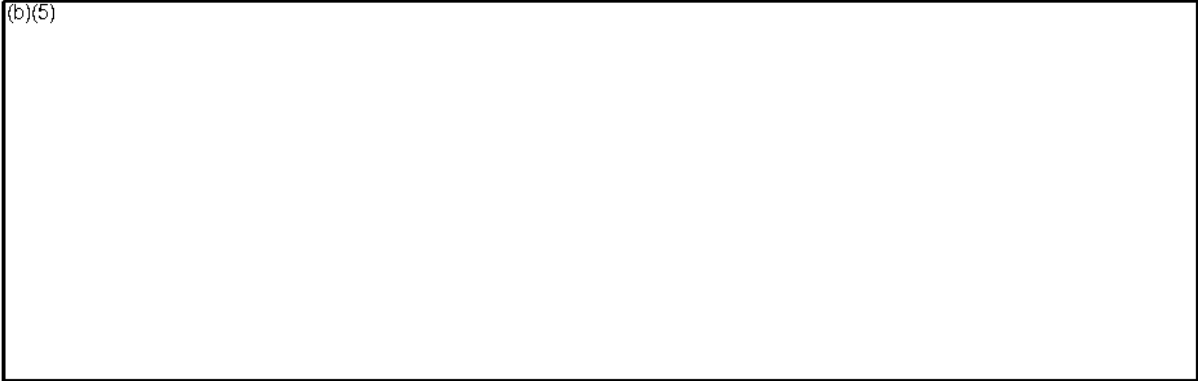

- (b)(5)
▪ Lt Col (b)(6) leads this production for PAYL

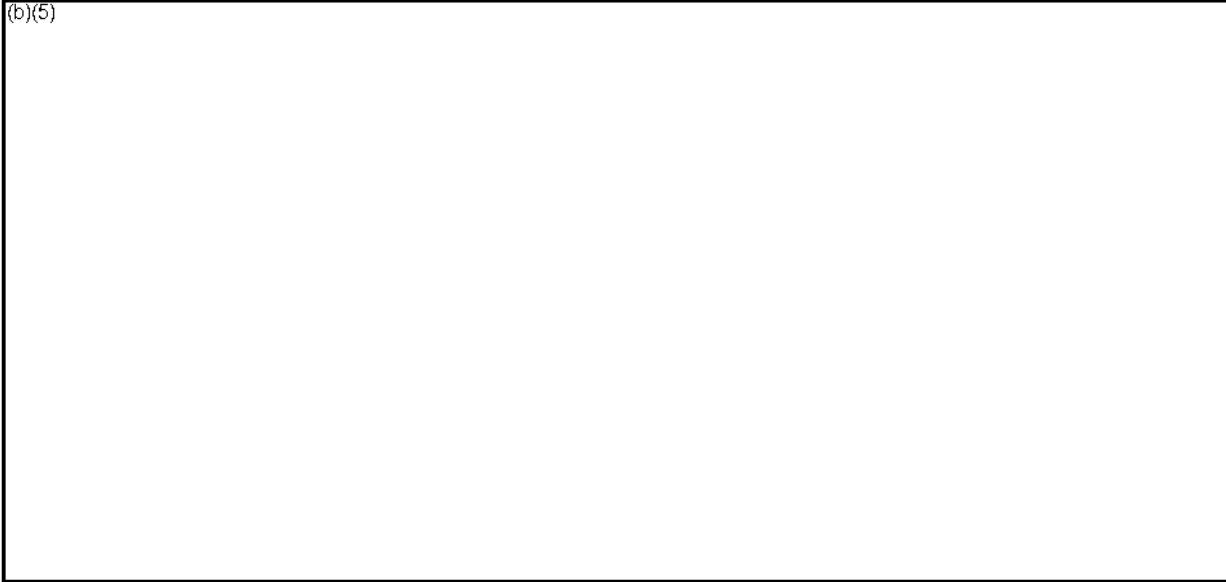

SAF/PAYL Weekly Summary (12 Sept– 18 Sept 2014)

- **Feature Film: “Space Command” – Independent production**

- Kickstarter-funded sci-fi project tells the fictional story of six generations of Air Force/Space Command families over a 200-year period
- Actors requested to visit an AF Base, meet Airmen, study military customs and courtesies before next round of filming. Discussed potential of placement of actors with instructors from nearby Airman Leadership School. Likely visit to LAAFB or Edwards AFB in Sept...
- Cursory, unofficial support to the project was approved in 2012
- High potential exists for this to become episodic TV, a la Stargate, so we are maintaining relationships while providing unofficial support
- MSgt (b)(6) leads this production for PAYL

Documentary/Unscripted projects

- (b)(5)

▪ Maj (b)(6) leads this production for PAYL

- (b)(5)

▪ Maj (b)(6) leads this production for PAYL.

SAF/PAYL Weekly Summary (12 Sept– 18 Sept 2014)

- **Documentary: Project Titan Wounded Warrior—Nissan Sponsored Online Documentary**
 -
 -
 - Film company has requested to take 2 wounded warriors with crew of 30 people on summit hike to Nike Hercules Missile Site location operated/owned by JBER.
 - Air Force environmental efforts would be featured along with the Wounded Warrior stories.
 - Initial informational gathering to determine safety and feasibility inquiry made to PACAF and local PAO.
 - Local PAO informed that only date to film is 14 Sep 2014. Weather patterns would make trip unsafe after this date.
 - Ms. (b)(6) leads this production for PAYL.

- **Reality TV: Polka Kings—REELZ cable television series (High Noon productions)**
 - Request to film an episode of the Polka Kings: (<http://www.reelz.com/polkakings/>) at Holloman, AFB during its Octoberfest celebrations.
 - Upon review of the request, it was determined that way ahead was to feature the opening ceremonies involving the wing commander, civic leaders (Mayor) and German Air Force leaders engaging in the traditional opening activities, and highlighting the partnership between the USAF, Luftwaffe, and community leaders.
 - The production would be limited to filming only this portion, as continued filming of activities involving alcohol would not be in the best interest of the Air Force. The traditional opening ceremonies are open to news media and would not cause undue hardship on the local PA staff.
 - Ms. (b)(6) leads this production for PAYL.

- **Documentary: Death Rattler—Independent (CONGRESSIONAL INFORMAL INQUIRY)**
 - Congressman Steve Israel's office inquired about permission & requirements for filming a sequence at the AMARG for independent film produced by former Marine. Congressman wanted to know why individual was not granted permission to film. Indicated that requester needed to complete the application process. Received the following request:
 - Mr O'Hare is directing a feature documentary that documents his relationship with his Marine pilot father who flew with the Death Rattlers in Vietnam Mr O'Hare's father died from Agent Orange which may be central to the documentary.
 - Contacted DLA & AMARG. DLA concurs with granting access by the authority of DLA Disposition Services Director of Operations and Director of Public Affairs. AMARG concurrence was provided via installation public affairs officer, and Government Liquidation (the contractor who will 'own' the aircraft at the time of its destruction) concurrence was provided its public affairs office.
 - Coordination and recommendation has not been submitted to DoD pending information from Mr O'Hare whether he can comply with the PAA.
 - Ms. (b)(6) leads this production for PAYL.

- **Unscripted program: SEAL DOGS – Smithsonian Channel**

- US Navy has an approved PAA with Smithsonian Channel to film a documentary about Post Traumatic Stress, and the use of Military Working Dogs to help combat it. Documentary to be called "SEAL Dogs."
- Producers requesting B-Roll of US Army Veterinary Clinic at Lackland AFB, Texas. AF owns access to the base, US Army owns the Vet clinic. Both Services jointly wish to support the Navy request.
- Filming completed early Oct.
- Project supported by local PA shop. Project completed and closed.

Other Entertainment Events

- **Game Show: Let's Ask America – Warner Bros. – Game Show Network**

- Filming occurred Oct 21st.
- Producers request support from all five services, plus Reserves and National Guard, for troops to be contestants, in uniform, for a military-themed episode.
- Game Show has been airing since 2013. In the show, contestants call in to the host via Skype. They typically have a theme, may dress up in funny costumes, etc. (Example: Green Bay Packers fan wearing a foam cheesehead, etc).
- Producers asked for A) permission for troops to participate and B) Permission for troops to wear uniforms
- All five Services granted permission for troops to participate AND wear official uniforms, provided they adhere to stipulations in DoDI 5410.16...
- Two AF service-members applied and have been selected to participate in their own civilian capacity: SSgt Brian Young, of Schriever AFB, and SrA Kendra Witherspoon.
- Filming will take place Oct 21st. All service members will film the same day and be on the same thematic episode. Entertainment Liaison offices for the respective shows will preview the questions for SAPP.
- Program will air on GSN between Nov 2014 – Mar 2015.
- Maj (b)(6) lead this project for PAYL. Project completed and closed.

SAF/PAYL Weekly Summary (31 Oct – 6 Nov 2014)

- **Sports: ESPN “First Take Salutes America’s Heroes” Veterans Day program (JBMDL)**
 - ESPN will film 1-day LIVE broadcast (will need 1 day to prep) from Joint Base McGuire-Ft Dix-Lakehurst for its “First Take” program to film on 9 Nov14, for Veterans Day programming. Steven A. Smith and Skip Bayliss will host.
 - All services involved.
 - More than 500 military and family members expected to be in attendance.
 - JB MDL Commander AF Col James Hodges to be interviewed, along with selected service members from each branch. (2 AF, 2 Army, 2 Navy, 1 Marine, 1 CG).
 - Ms (b)(6) leads this project for PAYL.
- **Daytime Talk Show: Steve Harvey (Syndicated) Veterans Day special**
 - Show taped in Chicago with all branches of the military on 28 Oct 14.
 - USAF participation was four personnel: A1C John Prentiss (Little Rock AFB), SSgt Sean Prentiss (Ramstein AB), SSgt Kenyatta McInnis (Creech AFB) and SSgt Byron Corley (Creech AFB).
 - A1C Prentiss and SSgt Prentiss were foster/adopted children of US Army National Guard Sgt Maj who is returning from deployment. This Sgt Maj had fostered/adopted 11 children – many of them military. We supported because it was not a surprise reunion.
 - SSgt Corley proposed to SSgt McInnis on the show.
 - Producers directly contacted AFMC to request Gen Wolfenbarger appear. Request was denied due to AFMC/CC schedule.
 - Show will air on syndicated networks Nov 11, 2014 – Veteran’s Day
 - US Army Chicago Branch (OCPA) supported PAYL on the ground in Chicago for filming.
- **Unscripted: Rachel Ray – Syndicated Daytime television**
 - Show will tape Nov 6 in NYC, and will be supported on the ground by PAYN.
 - Producers contacted each Service to feature Chefs from individual services for a competition to air on Veteran’s Day.
 - Producers agreed to honor Service’s request that Services are one team, and do not compete versus each other.
 - Each DoD Service plus USCG will feature one Chef on the episode with Rachel.
 - Call is out to MAICOMs for USAF Chef nominations
 - Ms (b)(6) leads this production for PAYL.

SAF/PAYL Weekly Summary (Dec 5-12, 2014)

• (b)(5)

• **Feature Film: "UNBROKEN" - Universal Pictures**

- Nine Airmen from Global Strike Command will attend the Dec 15th Red Carpet Premiere of Universal's film "UNBROKEN," directed by Angelina Jolie. The event takes place at the Dolby Theater.
- The USO will also hold an after-party at the conclusion of the premiere, to which the nine airmen are invited to attend.
- The Film is about the life of Lt Louis Zamperini, an Olympic Distance Runner, US Army Air Corps Bombadier on a B-24 Liberator, and later, a World War II Prisoner of War Survivor.
- The airmen, primarily bomber aircrew, who are attending the event will have graduated from Air Force Weapons School at Nellis AFB, NV, the night prior. They will make the trip to LA at their own expense.
- The producers will also show the film at various GSC bases (Minot, Whiteman, and Barksdale) prior to national release. This is to honor Lt Zamperini's heritage as a Bombadier.
- The film is expected to be a major blockbuster when it opens in theaters nationally on Christmas Day.
